Quality Assurance

MAC Fine Art has been publishing Giclee prints for over 15 years. During that time we have perfected the coating process essential to the enhancement and longevity of our prints.

To achieve this we have created our own exclusive coating mixture unique to any other product in the market. We guarantee that your prints will not peel or crack with a 100% refund guarantee.

Please review the print and color quality testimonials from many of today's most celebrated modern masters at our website www.macfineart.com

MAC Marketing Packages

Purchase a min of run of 20 giclees in one edition and have us post your printed artwork on one of the most powerful art websites on the internet for an additional charge of \$1,200 for one year.

We will create a personal biography and contact page within our website and include images of any work you have published through our services. See samples on our website.

You can handle all of your own sales and keep all of your own profit.

You benefit from our wealth of internet traffic!

Advertising

Promote your artwork on MAC Fine Art through our banner advertising program. Your personal banner will be displayed "run of site" on all pages on the www.macfineart.com website.

Banner pricing begins at \$350 for 2,500 impressions.

Please contact us for more details or for a custom service quote.
